# MADE TO LOVE MORE

## ***SERMON 3: Ephesians 3***

Do I know the \_\_\_\_\_ of God's love  
and do I believe it?

### **1) THE CHRISTIAN LOVED MORE**

- a) God is the \_\_\_\_\_ of true love. The fullness of the love of God; the Father, Son and Holy Spirit overflows into the individual Christian.
- b) The fullness of God's love is simultaneously the organic material that makes the believer to \_\_\_\_\_ and is the solid foundation that \_\_\_\_\_ the believer up, as they grow in discipleship.

### **2) THE CHURCH LOVED MORE**

- a) As the disciples marinate in the overflow of God's love for and in them, it overflows into the \_\_\_\_\_.
- b) The overflow of God's love in the fellowship motivates \_\_\_\_\_ to \_\_\_\_\_ disciples

### 3) THE UNBELIEVER LOVED MORE

- a) The unbeliever is by nature \_\_\_\_\_ to God, and justly deserving of the \_\_\_\_\_ of God. This is the greatest problem for mankind in the universe
- b) The greatest \_\_\_\_\_ of God's love is on the \_\_\_\_\_.

### 4) THE BELIEVER MADE TO LOVE MORE

- a) True love is an overflow of \_\_\_\_\_ love
- b) When the gospel takes root in souls the Christians, it impels them outward to the alleviation of all unjust human suffering \_\_\_\_\_ and it also awakens them to the horrible reality of \_\_\_\_\_ in hell for unbelievers under the wrath of a just and omnipotent God. And it impels them \_\_\_\_\_ to \_\_\_\_\_ the perishing.

### 5) CONCLUSION

- a) Paul ends with the doxology that fastens attention on the \_\_\_\_\_ of our imagination. The thinking that God is not big enough or strong enough or generous enough to fulfil that which he has called us to
- b) For the omnipotent God, there cannot be \_\_\_\_\_ of difficulty. He is a specialist in the impossible.
