Dear Friend in Christ, we are delighted that you will join us on this 40 days of Prayer Journey.

Prayer is God's idea and God's people must pray, to have and build their relationship with Him.

The disciples never asked Jesus to teach them how to do miracles, instead, they asked God to teach them how to Pray, because they knew that **Prayer was the power behind everything Jesus did.**

This Prayer Guide will help us join with other fellow believers as we embark on this journey. It is designed to give you a starting place for your time of prayer. *(Developed using the NIV version of the Bible).*
