Praise God Church! In January 2023, I decided to make some changes in my spiritual life. I prayed to God to talk to me. I also prayed that every time the Holy Spirit spoke to me, I would hear his voice and obey.

Just to take you back a bit, In January 2022 i separated from my spouse. When the separation happened, I was lonely, and hurting, and I blamed myself so much for the break-up. In that same year, the company I was working with was dissolved and I was rendered jobless. As you can tell by now, 2022 was a tough year! But it led me to introspect on so many things including my relationship with Christ.

I heard about Divorce Care and joined a Cohort in February 2023, The program empowers separated and divorced individuals to navigate their new normal in Christ. This was a life-changing program because I could understand the other participants and what we were going through.

After completion of the program, I heard the Holy Spirit say that I should walk with the next cohort, just to encourage them. I am glad I heard the Holy Spirit talk to me and I obeyed. I was able to refer 3 of my connections to the program and we have seen them grow in Christ.

As we were going through SEC in October, I could not agree more that The Holy Spirit is in the habit of speaking to us and all I need to do is be Still, listen, and obey. Through the same campaign, I heard the Holy Spirit talk to me on another task and I am working on obeying God.
