Tumaini Students Feedback - April Mentorship Sessions

You are really committed and wanting our future to be great. May God bless you and bless the work of your hands. We are happy that we have points that may help our daily life .May God keep you safe and protect you, may your community continue having kind-hearted people and may you have a blessed life.

The session was awesome and we thank you for the new questionnaire. It has helped us in so many ways in which we are looking forward to apply in future .Thank you may God bless you abundantly.

It was good. It has helped us learn new things that we can do in our daily life and make a positive impact in life. Thank you.

The session was great and am looking forward to more and more sessions. Thanks.

The session was good, I got to know myself better

It's a wonderful job you have done, being my first session, Keep it up and may God bless you and answer your prayers. Thank you.

I love the mentorship that we have just had. It has encouraged me.

I thank all mentors for your special efforts and that's an excellent job for you all and may God bless you. Shukran.

Thank you very much for supporting us. Your sessions were interesting very much.

The section was good, we have learnt more. May you continue doing the good job. Thank you.

Just appreciate the work well done

To you Tumaini members thank you for the mentorship program which awesome with the new form. For me I say it has helped me a lot. May God bless you.

You have done great things to us and we don't know how we will be able to repay it.

Good job thanks for the programme.

Thank you for the wonderful session. It has been helpful.

The new form was great and easy to go through with the mentor.

The sessions were great keep up ,and the sessions were motivating.

For me I appreciate the people of Karura for the opportunity of mentoring us .It is really encouraging, we enjoy it.

The sessions were particularly good. Nice work indeed.

I love this mentorship program and I hope what we have learnt sinks in my mind. The mentors are really good.
