Never Walking Alone

“Hello. I'm a medical doctor, and I've been at Karura since September 2024. One day I decided to watch the Sunday service online. One of the pastors was preaching, and I really liked the way she was very in tune with the gospel. I decided to come for the physical service that same day, and that was how I came to Karura for the first time. I later enrolled in the Plug-In class, where I found a community. I had accountability partners, a prayer partner, and we formed our CLG. After Plug-In, I joined the Dorcas Ministry, where we make products with women from the community, share the Word of God, fellowship together, and empower them to earn an income. I also joined the medical camp and was able to offer services that I usually do at my place of work. Plugging into church and serving has improved my relationship with God. I had struggled with reading the Bible and praying, but through Plug-In I learnt about fasting, took part in my first corporate fast, and my prayer life has greatly improved. The most favourite thing about Karura is the community. In May 2025, my sister was involved in an accident and lost her baby. It was a very difficult time for me. The community aspect of Karura, pastors coming to see my sister in ICU, not just one but around five or six pastors, really touched my heart. It showed me the ministry of presence. Praying together is the best thing that you can have. You don't walk alone in this journey as a Christian.”
