Equipped to Support

“On behalf of the participants, we sincerely thank Karura Community Chapel for organizing the Mental Health Month program. The initiative was timely, relevant, and highly impactful. We were privileged to receive comprehensive suicide prevention training from Dr. Mary Gitau, whose depth of knowledge and practical approach helped participants better understand suicide risk factors, warning signs, prevention strategies, and the importance of early intervention. The training increased our knowledge and equipped us with practical skills and confidence to support individuals facing mental health challenges. We hope Karura Community Chapel will continue organizing similar programs, as there is a great need for increased awareness on mental health and suicide prevention. Such trainings have the potential to save lives, strengthen families, and build more compassionate communities. We thank Karura Community Chapel, Dr. Mary Gitau, and everyone who made this initiative possible for their commitment to promoting mental wellness and empowering the community.”
